

**NEWINGTON FOREST COMMUNITY ASSOCIATION, INC.  
ADOPT AN AREA PROGRAM**

**WHAT IT IS:** A special volunteer program to help keep selected common areas within Newington Forest as clean, as safe, and attractive as possible.

**WHO CAN DO IT:** Any resident, group, family, Court or Street can participate

**WHAT ARE THESE AREAS:** Any Common Ground Area within the community which is not privately owned and which does not require special technical or contractor expertise to be maintained or monitored. Some examples include: TOT LOTS PICNIC AREAS GRASSY SLOPES/AREAS STORM DRAIN DITCHES TENNIS COURTS DRY CREEK BEDS SECTION SIGNS WOODED AREAS COURT ISLANDS BIKE PATHWAYS ROADS/ROAD SHOULDERS/SIDEWALKS LANDSCAPE EMBANKMENTS BALLFIELD

**WHAT "ADOPTION" MEANS:** Monitoring the chosen area for cleanliness, safety and attractiveness and then taking action to resolve the absence of those features by picking up trash, by fixing or removing an hazard (a fallen tree limb) or by planting and maintaining flowers, grassy slopes, mulch beds, shrubs, bushes, or trees.

**WHAT'S IN IT FOR US:** Friendlier and prettier neighborhoods, assessment savings, safer streets, enhanced home values, kinder and gentler environment, good exercise and warm feelings.

NOTE: NFCA May provide materials or supplies (seed, timbers, mulch, etc.) in some instances.

SPECIAL NOTE: Periodic recognition awards/donated gifts to be offered for "extra-special" activities.

**HOW TO JOIN THE PROGRAM:** Fill Out the form below or contact the NFCA Office. NFCA will review the request, assure adequacy of the proposed spot (for safety and suitability) and issue an "Adoption Certificate".
